

# FINALLY FRIDAY

Washington Middle School

6-30-22

I hope this Summer Newsletter finds you all relaxing and trying to stay cool in this crazy record breaking heat in June! We have completed summer school and have sent our students on their merry way for the rest of summer break. The building is looking great so far and our custodial staff is working hard to get it ready for the beginning of school! We have been working on things to prepare for our return to the school year on August 22nd....but don't think we haven't been having a bit of fun too! It has been a smooth June!

I am including some dates and other information for you to refer back to in August when reality starts to set back in! If you have any questions, let me know. Stacey and I plan to "check out" for the month of July, but if you have something urgent or an emergency, please feel free to text or call.

Have an amazing summer and be safe!

Laura

**Master Schedule:** There are not a lot of changes on the master schedule. Please click [here](#) for the master schedule. HUGE shout out to Shelly and Tracy for fine tuning/organizing the master schedule.....it is a big chore.

**Library Update:** We were able to get the occupancy permit right at the beginning of summer school so Val finally has her home back and most importantly our students have their library space back! I am including her services and the summary of things you can access in the teacher handbook in August.

**Summer Building Hours:** Please be sure you acknowledge the wax/no entry signs if you need to come to school in July. The gym is off limits for the summer (new floor paint and scoreboard). You should lock all doors and be sure they are pulled closed when you leave. The office and building will be open beginning August 1, 2022. The office is closed the month of July.

**22-23 Daily Schedules:** See page 2 & 3 for the Daily and Modified Day Schedules.
